Application and License Fee (nonrefundable): \$115.00 class code 7655

Make checks payable to: State of WI – DSPTS. The fee consists of a \$15 application fee and a license fee of \$100. When the license is issued it will be good for four years from date of issuance. No person may install a manufactured home onto a foundation or other support system unless the person holds a manufactured home installer license, or is under the direct supervision of a person who holds the manufactured home installer license. The owner of a manufactured home who will reside in the home is exempt from this rule. This exemption does not apply to the owner who contracts for or otherwise arranges for the installation. A person is not required to hold a manufactured home installer license for electrical, plumbing or HVAC work associated with the installation of a manufactured home.

Reason for Credential: A person who holds a license issued by the department as a licensed manufactured home installer may install, or supervise the installation of, a manufactured home onto a foundation or other support system pursuant to s. 101.96, Stats.

Education Hours Required to Renew: The renewal of a license as a manufactured home installer shall be contingent upon the installer obtaining at least 12 hours of acceptable continuing education three months prior to the expiration date of their credential. A person who holds a license as a manufactured home installer may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

Requirements of Credential: A person who installs or supervises the installation of manufactured homes as a licensed manufactured home installer shall:

- Be at least 18 years of age,
- Not be found responsible in any judicial or administrative forum of any violation of s. 101.96, Stats., during the 2 years before the date on which the person’s license application is submitted,
- Not be found responsible in any judicial or administrative forum during the two years before the date on which the person’s license application is submitted for any failure to perform an installation of a manufactured home as required under contract or for defrauding any person with regard to the provision of installation services,
- Be responsible for compliance with the installation requirements of SPS 321 and 327, and
- Carry on his or her person the license issued by the department while performing or conducting the activity or activities permitted under the license.

1. **Fill** in the applicant’s birth date (month/day/year, example 04/02/60):

A person who holds a manufactured home installer may not contract with another person or entity to engage in construction business activities unless the person or entity holds a credential under SPS 305.30(1)(a) or (b).
